"Because it Works"

# Lavender RTU Neutral Cleaner

NET CONTENTS: 1 U.S. QUART

A unique RTU liquid cleaner made especially for maintaining the super high gloss on floors that is now possible with spray buffing and ultra high speed floor machines.

Formulated at a neutral pH of 7 so as to remove soil without penetrating the finish or affecting its gloss. It is compounded with completely free rinsing detergents so as not to leave a dulling film or haze. Actually restores the luster of floors that have started to dull. Ideal for use on surfaces in addition to floors where thorough cleaning without leaving a dulling film is desired.

#### DIRECTIONS:

**FOR DAMP MOPPING:** Apply as you would an ordinary cleaner, but there's no need to rinse.

**FOR AUTOMATIC SCRUBBING MACHINES:** Apply, scrub and pick-up as you would ordinary low-foam cleaners. No need to rinse.

**FOR GENERAL CLEANING:** Depending on the level of soil. Apply liberally with a mop, cloth, sponge or sprayer, but do not flood. Allow solution to stand a minute or two, then remove. Rinsing is not necessary.

#### WARNING

Keep out of reach of children  
Read label before use

Eye Irritant

Avoid contact of liquid concentrated product with eyes and skin. Wash hands thoroughly after use.

#### FIRST AID

**If in eyes:** Rinse with water for a few minutes. Consult physician if symptoms occur.

**If on skin:** Rinse with water. Consult physician if symptoms occur.

**Storage:** No specific measures identified.

**Disposal:** Can be flushed to sanitary sewer. Discard empty container in trash.

**Ingredients:** Linear Alcohol Ethoxylate (C.A.S. #68439-46-3). Other substances in this product constitute less than one percent.
